

The firm was founded in 1997 by Raymond de Bok, Jacques Roijers, and Bob Gasseling. Since then it has grown steadily, and now employs nearly 20 lawyers, who are all knowledgeable in their own specialities, enabling them to advise companies properly and quickly. As such, De Bok Roijers Gasseling is a medium-sized firm of ambitious and professional lawyers with an understanding of the needs and wishes of their clients.

What we do

De Bok Roijers Gasseling excels in the legal areas in which we practise. The main areas of work of De Bok Roijers Gasseling involve advising and representing clients in all aspects of business law, including company law, employment law, property law, transport law, insolvency law and administrative law.

Our method

The things that separate De Bok Roijers Gasseling from other law firms are our empathy, creativity and problem-solving ability. We always put the client's wishes first.

De Bok Roijers Gasseling serves mostly corporate clients. Our company philosophy is that clients should be able to obtain advice on all aspects of their business. To this end, all lawyers at De Bok Roijers Gasseling received general legal training prior to selecting their specialisations, making them valuable sparring partners, who are able to assist our clients in a variety of issues. An aspect of our lawyers which is highly valued by our clients.

Moreover, the experiences lawyers and partners at De Bok Roijers Gasseling have all successfully concluded the highest possible specialist education in the Netherlands.

Your lawyers knows (who) you (are)

De Bok Roijers Gasseling attaches great importance to long-term personal contact. This means that in principle a client will always be in contact with the same lawyer, whilst also being able to make optimal use of all the specialisations within the firm.

Purely lawyers

De Bok Roijers Gasseling is valued for its approach, which is aimed at solid and speedy legal support. We often work in consultation with other, external professionals, such as accountants, tax advisers and notaries. This allows us to assure independent advice or to direct you to advisers that meet our quality standards.

International

Being located in the heart of Rotterdam, Europe's largest harbour, has led De Bok Roijers Gasseling to invest in a network of compatible law firms around Europe. As such, De Bok Roijers Gasseling is a member of JCA International, a network that unites equivalent law firms from virtually every European country. This enables De Bok Roijers Gasseling to advise you on foreign law issues or to introduce you to international partners with whom we have a personal relationship.
